7.3 Unless otherwise stated in the Proposal or agreed in writing, **Supplier** reserves the right to review and adjust the Fees and its standard fees and charges annually from the date of the Contract in accordance with the Office of National Statistics Consumer Prices Index.

- 7.4 Any credit offered to the Client is subject to completion of a credit assessment to **Supplier's** satisfaction (in its sole discretion). The Client shall permit **Supplier** to undertake a credit assessment following acceptance of the Proposal and periodically thereafter. **Supplier** shall be entitled to withdraw or amend the credit offered at any time based on its credit assessment and where credit is declined, the Client shall pay the fees in advance of the Services or provide a suitable payment guarantee from the ultimate holding company of the Client.

Each instalment shall be calculated by **Supplier**, acting reasonably, by reference to the Services completed during the previous month and shall not be conditional on any Client milestone or receipt by the Client of any Deliverable.
- 7.7 The invoice shall specify the Fees due on the Payment Due Date and the basis on which such Fees are calculated. The final date for payment ("**Final Payment Date**") will be 28 calendar days after the Payment Due Date.
- 7.8 The Client shall pay the Notified Sum on or before the Final Payment Date unless, not less than 14 days before the Final Payment Date, the Client gives notice to **Supplier** of its intention to pay less than the Notified Sum ("**Pay Less Notice**"). A Pay Less Notice must specify the Fees that the Client considers to be due on the date the Pay Less Notice is served and the basis on which that sum is calculated.
- 7.9 If the Client fails to pay any invoice in full by the Final Payment Date and fails to give a Pay Less Notice in accordance with Condition 7.8:
- (a) interest shall be added to the unpaid amount from the Final Payment Date until the actual date of payment, which will be calculated on a daily basis at the annual rate of 12% over the annual base rate of the Bank of England or at the statutory interest rate, whichever is the greater. Compensation for late payment of each debt will also be due in accordance with the Late Payment of Commercial Debts Regulations 2013; and
 - (b) **Supplier** may, without prejudice to any other right or remedy, suspend performance of all or part of the Services by giving not less than seven days' notice to the Client of its intention to do so and stating the ground(s) on which it intends to suspend performance ("Notice of Suspension"). Performance shall be resumed when the Notified Sum (together with any interest and compensation payable thereon) has been received. **Supplier** shall be entitled to claim payment of its reasonable costs and expenses in connection with the suspension of the Services. **Supplier** shall not be liable for any loss or damage, delay or disruption, however suffered, as a result of the suspension of the Services in accordance with this Condition. **Supplier** shall be entitled to claim payment of its reasonable costs and expenses in accordance with Section 112(3A) of the Housing Grants, Construction and Regeneration Act 1996 (as amended by the Local Democracy, Economic Development and Construction Act 2009) and the provisions of Section 112(4) of that Act shall apply to any relevant time limits for the performance of the Services.

- (a) the Client commits a material breach of the Contract and, if such breach is remediable, fails to remedy that breach within seven days of written notification by **Supplier**;
 - (b) the Client fails to pay any sums due to **Supplier** in accordance with the Contract or any other contract with **Supplier** or any member of **Supplier's** Group and remains in default not less than 28 calendar days after being notified in writing to make such payment or is otherwise in material breach of contract;

- 8.3 In the event of **Supplier** exercising its rights under Condition 8.2 or upon termination of the Contract howsoever arising, the Fees for all Services performed up to the date of termination shall become immediately due. The Client shall pay compensation for the recovery of costs for the demobilisation, reassignment of personnel and equipment, and any associated loss of profit.
- 8.4 On termination of the Contract for any reason, the accrued rights and liabilities of the parties as at termination and the continuation of any provision expressly stated to survive or implicitly surviving termination shall not be affected.
- 8.5 If **Supplier's** performance of any of its obligations under the Contract is prevented or delayed by any act or omission by the Client or failure by the Client to perform any relevant obligation ("**Client Default**"):
 - (a) without limiting or affecting any other right or remedy available to it, **Supplier** shall have the right to suspend performance of the Services until the Client remedies the Client Default, and to rely on the Client Default to relieve it from the performance of any of its obligations in each case to the extent the Client Default prevents or delays **Supplier's** performance of any of its obligations;
 - (b) **Supplier** shall not be liable for any costs or losses sustained or incurred by the Client arising directly or indirectly from **Supplier's** failure or delay to perform any of its obligations as set out in these Conditions; and

The mediation will start not later than 30 days after the date of the ADR notice.

The adjudicator shall be a member of the Construction Industry Council ("**CIC**") selected by the parties or, if they are unable to agree within 7 days of the Notice of Adjudication or their selected person is unable or unwilling to act, then by nomination by the Chairman of the CIC. The Adjudication will follow the CIC's latest model adjudication procedure.

The **Supplier** shall comply with the relevant Data Protection Laws in connection with the processing of Personal Data and the provision of the Services.
- 16.5 The **Supplier** shall only process the Personal Data in accordance with the Contract and the Client's written instructions from time to time except where otherwise required by law.
- 16.6 The **Supplier** shall implement and maintain appropriate technical and organisational measures to protect Personal Data against accidental, unauthorised or unlawful destruction, loss, alteration, disclosure or access.
- 16.7 The **Supplier** shall (at the Client's cost and expense):
- (a) provide such information and assistance as the Client may require, acting reasonably, in relation to the fulfilment of the Client's obligations to respond to requests for exercising the Data Subjects' rights under the applicable Data Protection Laws; and
 - (b) provide such information, co-operation and other assistance to the Client as the Client reasonably requires (taking into account the nature of processing and the information available to the **Supplier**) to ensure compliance with the Client's obligations under Data Protection Laws; and
 - (c) make available to the Client such information as is reasonably required to demonstrate the Supplier's compliance with its obligations under this Condition 16 and the Data Protection Laws; and
 - (d) at the end of the provision of the Services relating to the processing of Personal Data, either return to the Client or securely dispose of all of the Personal Data (and thereafter promptly delete all existing copies of it) except to the extent that any applicable law requires the **Supplier** to store such Personal Data.
- 16.8 This Condition 16 shall survive termination or expiry of the Contract.

17 General

- 17.1 Any notice to be given under the Contract must be in writing and shall be delivered by hand or sent by pre-paid first class (or airmail) post or recorded delivery post to the business address of the party, as stated in the Contract or as otherwise last notified in writing by the other party. A notice delivered by hand is deemed to have been received when delivered (or if delivery is not in business hours, 9.00 am on the first business day following delivery). A notice sent by post will be deemed to have been received on the next business day following that on which the notice was posted to an address in the United Kingdom and after five days in the case of an overseas letter sent by air mail.
- 17.2 If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this Condition 17.2 shall not affect the validity and enforceability of the rest of the Contract.
- 17.3 No variation of the Contract or these Conditions or of any of the documents referred to in them shall be valid unless it is in writing and signed by or on behalf of each of the parties.
- 17.4 The Contract constitutes the whole agreement between the parties and supersedes all previous agreements, whether written or oral, between the parties relating to its subject matter. Each party acknowledges that, in entering into the Contract, it has not relied on and shall have no right or remedy in respect of any statement, representation, assurance or warranty (whether made negligently or innocently) that is not set out in this Contract.
- 17.5 A waiver of any right under the Contract is only effective if it is in writing and it applies only to the circumstances for which it is given. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that (or any other) right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that (or any other) right or remedy.
- 17.6 Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, constitute any party the agent of another party, or authorise any party to make or enter into any commitment for or on behalf of any other party. Each party confirms it is acting on its own behalf and not for the benefit of any other person.
- 17.7 The Contract and any dispute or claim (including non-contractual disputes and claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with English law.
- 17.8 Subject to Condition 9, the parties irrevocably agree that the English Courts shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with it or its subject matter of formation.
